**Subject:** RE: EEOC v. Warfield

---

Regina: My client's accountant advised that it needed to make the check payable to the EEOC. In looking back at the judgment, it is entered in favor of the EEOC. I have my client's check made payable to the EEOC in the amount of \$401,938.19 in full satisfaction of the judgment. Let me know when you would like to have it picked up.

Charles
